

STRENGTH IN NUMBERS

TRUST AND CONFIDENCE

Deborah had great confidence. Do you have confidence in yourself? Do you need others to help you build that confidence? Who are those people?

As is often the case, God uses those we would least expect to fulfill his mission. Is God still using anyone unexpected to do amazing things? What is your role in this mission?

Read **Judges 4:4-10,21; 5:31.**

Who is a person in your life whom you trust with everything? What would you do if that person were to ask you to do something you knew was wrong?

Is there anything you think is worth doing no matter what the consequence is? Explain.

How do you deal with temptation in your life?
